World Preview of Furnishing Fabrics and Curtains

Villa Erba, Cernobbio (Como)
3-4-5 May

Proposte 2016 just wrapped up and already we're thinking about the XXV edition. Bearing in mind the calendar, the holidays and the other international fairs, the Board of Directors of Proposte Srl together with the new President Mauro Cavelli, who succeeded Piercarlo Viganò, decided that the dates for the 2017 edition of the Fair will be **from Wednesday 3 to Friday 5 May** and will be held as always in the modern exhibition centre of Villa Erba in Cernobbio and in the marvellous and picturesque Villa Antica.

It will be the XXV edition, an important milestone.

The first time that the Fair's doors opened to visitors was on 4 May 1993, a date that will coincide with the second day, in other words the heart of the event's next edition, when a press conferences and gala evening will be held.

In 1993 there were 42 exhibitors, this year we reached 90 and the peak was 114 companies present in 1999.

There have been lots of changes over these 25 years, but one thing has remained unchanged, every year Proposte reaffirms itself as an excellent showcase for new collections of furnishing fabrics and for curtains.
