**World Preview
of Furnishing Fabrics
and Curtains**

**Villa Erba, Cernobbio (Como)
2-3-4 May**

Two months have passed since the conclusion of the last edition of **Proposte**, world preview of Furnishing Fabrics and Curtains, and, after reaching the important milestone of the twenty-fifth edition, we are thinking about organizing for a successful **2018 edition, the twenty-sixth**.

Bearing in mind the calendar, the holidays and the other international fairs, the Board of Directors of Proposte Srl, chaired by Mauro Cavelli, decided that the next edition of the Fair will take place **from Wednesday 2 to Friday 4 May 2018** and will be held, as always, in the modern exhibition centre of Villa Erba in Cernobbio and in the picturesque Villa Antica.

Like in the last three years, taking place alongside the historic Fair will be, in adjacent locations, the **International Observatory**, now a regular event together with Proposte.

While you wait to find out who the exhibitors will be and what new developments will characterise Proposte 2018, keep staying connected to the Fair through the social networks Facebook, Instagram and Twitter and the website www.propostefair.it.
