**World Preview
of Furnishing Fabrics
and Curtains**

**Villa Erba, Cernobbio (Como)
15th, 16th and 17th of April**

The Board of Directors of Proposte Srl, after much debate, has established that the **27th edition of Proposte**, the World Preview of Furnishing Fabrics and Curtains, will be held on the **15th, 16th and 17th of April 2019**. Confirmed once again as venue for the event the exhibition centre at **Villa Erba in Cernobbio**.

“Considering the national and international calendar of the various civil and religious festivities”, says the Chairman, Mauro Cavelli, “the upcoming edition of Proposte should have been held in late May, a date we considered too far along for our market of reference. This is why we chose to anticipate the event to April, in the wake of the Salone del Mobile. This means that the famous event will close on Sunday in Milan and the gates of Villa Erba will open on the following Monday. We believe that by placing the date of our exhibition so close to that of the Salone del Mobile we will make it easier for our foreign visitors to attend both events in a short time and on a single trip”.

Another important aspect is the change in the days of the week on which Proposte will be held. This year, the Fair will open **from Monday to Wednesday** and no longer from Wednesday to Friday, like in past years.

The opening hours of the event remain the same:

15th and 16th April: from 9 a.m. to 6 p.m., 17th April: from 9 a.m. to 4 p.m..

Once again, as in the previous four editions, the historical Fair will be flanked by the **International Observatory**, by now a permanent satellite event to Proposte.

While waiting to learn about the exhibitors and the new articles to be featured at Proposte 2019, continue to stay tuned to Fair news via Facebook, Instagram and Twitter and by visiting the website www.propostefair.it.
