18th - 19th - 20th April 2023**

The 30th edition of Proposte 2023

The 30th edition of Proposte will be held on **April 18, 19 and 20, 2023**.

Two months after the end of the 2022 edition, the Proposte Board of Directors, the first chaired by Alessandro Tessuto, has set the dates for the next edition of the Trade Show - Tuesday, April 18, Wednesday, 19 and Thursday, April 20, 2023 - after considering the calendar, the bank holidays and the concurrent organization of other international fairs. As usual, the event will be held in the modern exhibition center of **Villa Erba, in Cernobbio**, in total synergy with the *Salone Internazionale del Mobile* in Milan to enable industry professionals, especially international ones, to take in both trade shows in one trip.

The winning format of the trade show has never been modified despite the many changes of the past 30 years to ensure that Proposte remained contemporary, reconfirming itself from year to year as an excellent showcase for new collections of fabrics for furnishing and curtains.

Looking forward to meeting the exhibitors and discovering the novelties of Proposte 2023, we invite you to stay in touch with the Trade Show via the social networks of Facebook, Instagram and Twitter, the website www.propostefair.it and the Proposte marketplace, at the following link: fierasmart365.propostefair.it.
