### PROPOSTE 2023: 78 EXHIBITOR COMPANIES AT VILLA ERBA

78 companies will participate in the 30th edition of Proposte scheduled on April 18, 19, and 20, 2023.

Villa Erba is the unique and exclusive location of Proposte, hosting 29 Italian and 49 international exhibitor companies. For the first time, the French manufacturer Linder and the Italian manufacturer Jannelli & Volpi, opening Proposte's doors to the world of wallcoverings, will participate in the trade show.

The number of exhibitors is going back to comparable pre-pandemic levels and it is interesting to note that ten companies – one Italian and nine from abroad – have re-confirmed their participation after years. "This is a great satisfaction that marks a turning point after the issue we have had with the *Fuorisalone* of Cernobbio. The fact that companies have come back to Proposte – like the Turkish Vanelli Tekstil - is evidence of the importance of Proposte held at the Villa Erba exhibition center as a "must-attend" event in the world of furnishing fabrics and curtains," commented Alessandro Tessuto, president of Proposte.

The 30<sup>th</sup> edition of Proposte will feature a new collaboration. This year, Comocrea Interni, the exhibition dedicated to textile design, will have a reserved area in the exhibition center. The Ala Regina will also be dedicated to 18 designers who, over the years, have presented their collections in parallel with Proposte. Two excellences - Proposte and Comocrea Interni - have joined forces to make the visitors' experience more complete.
